EXPERIENCE & PROJECTS

- **Internsland (May- July 2022)**

As an HR Intern I am responsible for hiring full time employees and interns for the company. My work included sourcing candidates, screening resumes, scheduling and conducting their first and second round of interviews. During my tenure I learned the skill of team building, interviewing and negotiating.

- **Talent Corner (May-July 2022)**

As a full time HR Intern I worked on end to end corporate recruitment and handled recruitment at all levels, worked on 50+ job profiles and recruited more than 100 applicants.

- **SPYM (January-Feb 2023)**

Interned at SPYM drug de addiction centre for juveniles under a counselling psychologist. Learned history taking, analysing case studies, engaged in family and group therapies, learned to employee a psychological test- Personal experience screening questionnaire (PESQ).

- **RESEARCH PAPER**

I worked on a Qualitative Research **Finding Generational Difference In Attitude Towards Homosexuality**. We interviewed six interview candidates, two participants from each generation: genX (1965-80), genY (1981-96), genZ (1997-2012). Finally, a common table was formed to see the overall perspective of all the generations towards the LGBTQ community.

POSITIONS OF RESPONSIBILITY

- **Treasurer, Snapshots (July 2021- August 2022)**

As a treasurer I was responsible for taking care of the finances of the society, prepared an annual budget, managed society's funds and cash flow.
